Dear Valued Readers,

I trust everyone enjoyed the weekend. How is it already November? It seems the year was just starting and now here we are Christmas again. It definitely has been a year full of eventful achievements, adversities and opportunities.

With the busy holiday period already beginning for everyone, RCS staff brokerage (agency) is ready to assist with qualified and experienced support staff. Though many of you are already familiar with our agency, I would like to dedicate this weeks e-letter to re-iterate our agency service and what we can do for you.

As expressed on our website, RCS staff brokerage (agency) commenced in January 2006 as a response to unmet needs of the Disability Sector. RCS has been dedicated in supplying specialised Staffing Relief & Permanent Recruitment Agency – 24 Hours Per Day / 7 Days Per Week. Since then RCS has quickly become the preferred option as a specialised staffing agency to many reputable Government and Non-Government Disability Service Providers. Whether you require staff on an “as soon as possible”, permanent or temporary basis, we are ready to take your requests and match the best possible staff to your needs. RCS support staff have a range of experiences and skills, and have worked in such shifts but are not limited to: Respite, In house care, Transition to Independence, Child Safety, Sleepovers, Awakes, community access, domestic runs and personal care.

Support staff are required to undertake manual handling and medication training, which are offered in house as well as bowel therapy and Non-Violent Crisis Intervention (NCVI). Other requirements for staff include the Blue card, Yellow Card, Police Name Check, First Aid, CPR, Drivers Licence, Own Car and comprehensive insurance (to name a few). Furthermore, we have recently introduced a new workbook aimed at furthering staff’s knowledge and understanding of the Disability Service Standards.

In addition to the range of skills, experiences and requirements associated with RCS support staff, agency is also dedicated in constantly improving and building the services delivered to our much valued organisations. With regular visits, contact and feedback, we can ensure that the support staff being supplied are assisting service providers in the care of their clients and complimenting teams already in place.

If you would like to learn more, or discuss ways we can assist you please contact the office on 07 3725 6500 or email. We look forward to hearing from you.

Remember to look us up and like us on our facebook page for continual updates and news associated with RCS.

Yours Sincerely

Nicole

P.S I will be away for holidays from Thursday 10.11.11 returning Tuesday 22.11.11. She will be taking calls on the On-call mobile (0448 867 424), and Caroline will be assisting Agency in the office whilst I’m away, so no disruption to our service at all.

With Christmas literally around the corner, we are preparing to cater to the Christmas holiday demands.
